d/b/a MetTel
Amendment to Application for a Certificate of
Public Convenience and Necessity for Local
and Interexchange Authority to Operate
as a Reseller and Facilities Based Carrier
of Telecommunications Services
Throughout the State of Illinois.

ILLINOIS
COMMERCE COMMISSION
MAR 28 10 46 AM '02
Case No. 01-0774
CHIEF CLERK'S OFFICE

**REQUEST FOR AMENDMENT TO APPLICATION FOR CERTIFICATE TO
BECOME A
TELECOMMUNICATIONS CARRIER**

Metropolitan Telecommunications of Illinois, Inc., d/b/a MetTel ("Applicant"), by its undersigned consultant hereby requests to amend its application for a Certificate of Public Convenience and Necessity to include request for additional authority to provide Facilities-Based Interexchange services within the State of Illinois. During a hearing on January 29, 2002, Administrative Law Judge, John Riley, granted permission to the Applicant to amend its application for certification to include such service.

In addition, Applicant hereby requests deletion of 13402, waiver of map requirement, as the Commission grants no such waiver. An exchange boundary map will be prepared and submitted to the Commission upon request.

WHEREFORE, Metropolitan Telecommunications of Illinois, Inc., d/b/a MetTel, respectfully requests that the original application for Certificate of Public Convenience and Necessity be amended to include the request for facilities-based interexchange authority and that the Illinois Commerce Commission issue a Certificate authorizing Applicant to provide resale and facilities-based local and resale and facilities-based interexchange telecommunications services in the State of Illinois.

Respectfully submitted,
